After you left us the "Leyburn Saturday Fair" off in single file you were to get into the place to take up your seats and get them ready before the "Quakers" commenced their service of which they had a large number of people gathered together at a given time in a meeting house. After you had got your seats and places arranged you would be allowed to remain in the room until the service was over. You would then leave the room and go to the outside where you would be allowed to sit on the grass and have a good time talking and laughing with your friends. This was a great treat for all the children as it was a rare opportunity to get away from home and have a good time with their friends. The service would last about an hour and a half and then you would be allowed to leave the room and go outside to have a good time with your friends. This was a great treat for all the children as it was a rare opportunity to get away from home and have a good time with their friends.
