

## ИЗВЕСТИЯ НАН АРМЕНИИ: МАТЕМАТИКА

том 56, номер 6, 2021

## СОДЕРЖАНИЕ

|                                                                                                               |         |
|---------------------------------------------------------------------------------------------------------------|---------|
| G. BARSEGHIAN, F. MENG, On complex Schrödinger type equations with solutions in a given domain .....          | 3       |
| M. S. GINOVYAN, A. A. SAHAKYAN, Statistical estimation for stationary models with tapered data .....          | 12      |
| Z. GUO, Y. DENG, Multiplicity of solutions for a fractional Laplacian equation involving a perturbation ..... | 39      |
| В. Н. МАРГАРЯН, Г. Г. КАЗАРЯН, Об одном классе многочленов, гиперболических с весом .....                     | 51      |
| T. MA, J. ZHOU, A characterization of weighted central Campanato spaces .....                                 | 70 – 84 |

## IZVESTIYA NAN ARMENII: MATEMATIKA

Vol. 56, No. 6, 2021

## CONTENTS

|                                                                                                               |         |
|---------------------------------------------------------------------------------------------------------------|---------|
| G. BARSEGHIAN, F. MENG, On complex Schrödinger type equations with solutions in a given domain .....          | 3       |
| M. S. GINOVYAN, A. A. SAHAKYAN, Statistical estimation for stationary models with tapered data .....          | 12      |
| Z. GUO, Y. DENG, Multiplicity of solutions for a fractional Laplacian equation involving a perturbation ..... | 39      |
| V. N. MARGARYAN, H. G. GHAZARYAN, On a class of hyperbolic with weight polynomials .....                      | 51      |
| T. MA, J. ZHOU, A characterization of weighted central Campanato spaces .....                                 | 70 – 84 |
