

100

A detailed engraving of a large industrial machine, likely a steam-powered press or engine. The machine features a complex frame with a large flywheel on the left side, a central vertical shaft, and various mechanical components including gears, pistons, and connecting rods. The machine is mounted on a sturdy base with four legs. The engraving is highly detailed, showing the texture of the metal and the intricate design of the machinery.

A detailed illustration of a high-top boot, likely a riding boot, featuring a lace-up closure. The boot is shown in profile, facing right. The upper part of the boot is made of a light-colored material, possibly leather or a synthetic material, with a dark, patterned band around the ankle. The lower part of the boot, including the shaft and toe area, is covered in a dark, intricate lace or brocade pattern. The brand name 'FRAPAZZAN' is visible in a stylized font on the side of the boot. The boot is set against a plain, light background.
