

The illustration shows the official coat of arms of the Ottoman Empire. At the center is a shield featuring a crescent moon and a five-pointed star, symbols of Islam, positioned above a sword pointing upwards. This shield is supported by two lions facing each other, their bodies forming a continuous shape. Above the shield sits a tall, ornate sultan's turban. A decorative banner or ribbon curves beneath the shield, bearing the Ottoman Turkish motto "DİN İHTİŞAP".
