

## NOTES TO CONTRIBUTORS

## SUBMISSION

The publication fee for the articles accepted to publication in the scientific journal WISDOM is 300 USD.

There is **no fee** for the manuscript review. The manuscripts that pass the review process are being guaranteed to publication. On this issue, the authors receive an official letter. After receiving the official letter the author of the manuscript must make the online payment of publication fee (300 USD). Only after that, the manuscript will be accepted to publication.

Every submitted manuscript proceeds through a rigorous review process. The members of the journal reviewer's bank are committed to objective and fair double-blind peer reviews of submitted manuscripts and will evaluate manuscripts following:

- COPE politics
- Publication Ethics & Plagiarism Policy
- Open Access Policy.

For manuscript submission, it is necessary to register at the website: <https://wisdom-periodical.com/index.php/wisdom/submit>.

## VARIOUS KINDS OF MANUSCRIPT FORMATTING PECULIARITIES

### *Publication of Archive Materials and Translation Sources*

- A complete description of archive or publication material, according to which the translation has been done, should be comprised in the manuscript.
- A brief prologue under the title *Publication Prologue* may precede the publication (1-3 pages long, approximately 4000 characters). Long prologues are regarded articles and should be written under separate titles.
- If the publishing source contains references, they are presented as a part of a body text and are each numbered sequentially and precede the body text-source.
- Publisher or translator may present references about the publishing source at the end of a body text.
- Via the references one may present foreign word translations, explanations of abbreviations etc. contained in the text may be presen-

ted in the source text in square brackets.

- It is advisable to choose up to 40.000 character source for the published materials in the periodical. In case of an abundant source, it is necessary to shorten (select) for preparing material for the periodical.
- Translations and archive sources should have enough comments and full introductions; otherwise, they could not be considered scientific publications and could not be submitted for publication.

### *Essays of various symposiums and scientific events*

- Information about the symposium organisers, place and time should be included in the paper.
- The symposium members' name, surname, workplace and city (in brackets) should be mentioned, and in the case of international symposiums, the name of the city is also included.
- Essays should not coincide with the symposium projects or their final documents.

### *Reviews and bibliographical essays*

- The length of a review should be from 5-10 pages (10.000-20.000 characters).
- Final information, name of a publication and number of pages of a studied book should be presented before the body text.
- References are not included in the review.

### *Argumentative notes, essays, records*

Materials that are composed in free writing style and are free of particular requirements for scientific articles are accepted for publication. Such kind of works cannot be involved in the official records on scientific work as a scientific publication.
