

NOTES TO CONTRIBUTORS

SUBMISSION

The publication fee for the papers accepted to be published in the scientific journal WISDOM is 400 USD.

There is **no fee** for the manuscript review. The manuscripts that pass the review process are confirmed to be published. On this issue, the authors receive an official letter. After receiving the official letter, the author of the manuscript must make the online payment of publication fee (400 USD). Only after that, the manuscript will be accepted for publication.

Every manuscript submitted proceeds through a rigorous review process. The members of the journal reviewer's bank are committed to objective and fair double-blind peer reviews of submitted manuscripts and will evaluate manuscripts in line with:

- COPE politics
- Publication Ethics & Plagiarism Policy
- Open Access Policy.

For manuscript submission, it is necessary to register at the website: <https://wisdom-periodical.com/index.php/wisdom/submit>.

VARIOUS KINDS OF MANUSCRIPT FORMATTING PECULIARITIES

Publication of Archive Materials and Translation Sources

- A complete description of an archive or a material published – the source of translation – should be comprised in the manuscript.
- A brief prologue under the title *Publication Prologue* may precede the publication (1-3 pages long, approximately 4000 characters). Long prologues are regarded articles and should be written under separate titles.
- If the publishing source contains references, they are presented as a part of a body text and are each numbered sequentially and precede the body text-source.
- Publisher or translator may present references about the publishing source at the end of a body text.
- Via references, one may present foreign word translations, explanations of abbreviations, etc. contained in the text may be presented in

the source text in square brackets.

- It is advisable to choose up to 40.000 character source for the published materials in the periodical. In case of an abundant source, it is necessary to shorten (select) for preparing material for the periodical.
- Translations and archive sources should have enough comments and full introductions; otherwise, they could not be considered scientific publications and could not be submitted for publication.

Essays of various symposiums and scientific events

- Information about the symposium organisers, place and time should be included in the paper.
- The symposium members' name, surname, workplace and city (in brackets) should be mentioned, and in the case of international symposiums, the name of the city is also included.
- Essays should not coincide with the symposium projects or their final documents.

Reviews and bibliographical essays

- The length of a review should be from 5-10 pages (10.000-20.000 characters).
- Final information, name of a publication and number of pages of a studied book should be presented before the body text.
- References are not included in the review.

Argumentative notes, essays, records

Materials that are composed in free writing style and are free of particular requirements for scientific articles are accepted for publication. Such kind of works cannot be involved in the official records on scientific work as a scientific publication.
