This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some faint smudges and discoloration, characteristic of old paper. The left edge of the page is bound into a dark, textured cover, possibly leather or cloth. There is no text or other markings on the page.

This image shows a vertical strip of a book cover or endpaper. The main area is a light beige or cream color with a slightly textured surface. Along the right edge, there is a dark, textured border, possibly made of leather or a similar material, which is decorated with a repeating pattern of small, dark, irregular shapes. The overall appearance is that of an old, worn book binding.
