## NOTICE

MESSRS. CHARLES WHITTINGHAM AND GRIGGS (PRINTERS),  
 LTD., of the Chiswick Press, Tooks Court, Chancery Lane, London,  
 E. C. 4, have pleasure in announcing that they have in hand a volume :

### THE LAND OF ARARAT

TWELVE DISCOURSES ON ARMENIA, HER PEOPLE AND HER CHURCH

*With Illustrations*

by S. M. GREGORY, Esq., late of the Federated Malay States Civil Service, and for some years a resident member of the Armenian Community of London.

It will be published in octavo size and will contain about 360 pages. The first part comprises several of his articles on Armenian themes, which have already appeared in the "Ararat" magazine. These are now put together in book form with additions and emendations.

The second part of the book contains "A compendious description of the Armenian Church Calendar, Fasts, and Feasts," now being published for the first time. Each subject is the result of a careful study by the author. Apart from a handsome addition which it will make to individual libraries, we are of opinion that it would be (especially the second part of the volume) particularly valuable for general libraries and for Armenian Ecclesiastical Seminaries, whilst the English-speaking public will find it of exceptional interest in a general sense and particularly in respect of comparative liturgical and ritualistic studies. Messrs. Charles Whittingham and Griggs will be pleased to register orders, accompanied by remittance of 7s. 6d. a copy.
