

ARMENIAN MASSACRES.

Terrible Atrocities Committed by Turkish Soldiers.

(Special Cable to The Gazette.)

London, June 29.—It is stated from an anti-Turkish source that the victims of the recent Armenian massacres numbered nearly 6,000, instead of 3,000. At the village of Akhbi, the number of persons killed were so many that their bodies, which were thrown from a bridge, dammed the river, which the Turks freed by firing artillery into the heaps of corpses.
