

LOU URENECK. THE GREAT FIRE, ONE AMERICAN MISSION TO RESCUE VICTIMS OF THE 20TH CENTURY'S FIRST GENOCIDE

New York, 2015, (508 pages, plus 16 pages photo annex)

Book review by V. V. Hambardzumyan

Lou Ureneck's "The Great Fire" was published in 2015 by Harper-Collins Publishers, New York, USA. Released during the Armenian Genocide Centennial, the book proved to be a successful attempt in unpacking the hidden story of the 20th Century's First Genocide for the public in the United States, Canada and beyond.
